

## **Financial Assistance to Attend the LNPS Conference**

LNPS has dedicated funds to help individuals wishing to attend the LNPS Annual Conference who otherwise might be financially constrained from doing so. Our goal is to enhance the skill set being applied to native plant advocacy and education in the state of Louisiana by having passionate and energetic people attend the conference, learn and apply the connections made and education received towards the LNPS mission: *the preservation, conservation, and study of native plants in their habitats; the promotion of knowledge of their utilization; and the education of the public about the values of native plants and their habitats.*

**Applicants for these grants are eligible for up to \$250 in assistance towards securing lodging and meals to attend the conference. You must submit a brief proposal to the LNPS Board at [lnpsinbox@gmail.com](mailto:lnpsinbox@gmail.com) no later than January 21<sup>st</sup>, 2024.**

**The Board will review, select and notify awardees by February 5<sup>th</sup>.**

Proposals should include no more than two paragraphs describing yourself, your reasons for wanting to attend the Conference and what contributions you anticipate being able to make towards the LNPS' mission.
